"R" is the total amount of principal and interest payable by the provider for the fiscal year under mortgages guaranteed by the Province of Ontario or the Ontario Housing Corporation in respect of those projects, and

"S" is the amount of the provider's affordable mortgage payment in respect of those projects, as determined under subsection 103 (4) of the Act.

TABLE
GLOSSARY OF TERMS

Term	Description
Electricity	This is the cost of the electricity supplied to you during this billing period and is the part of the bill that is subject to competition. The electricity consumed is multiplied by the adjustment factor*. (<i>Name of distributor</i>) collects this money and pays this amount directly to our suppliers. *When electricity is delivered over a power line, it is normal for a small amount of power to be consumed or lost as heat. Equipment, such as wires and transformers, consumes power before it gets to your home or business. The adjustment factor accounts for these losses.
Delivery	These are the costs of delivering electricity from generating stations across the Province to (<i>name of distributor</i>) then to your home or business. This includes the costs to build and maintain the transmission and distribution lines, towers and poles and operate provincial and local electricity systems. A portion of these charges are fixed and do not change from month to month. The rest are variable and increase or decrease depending on the amount of electricity that you use.
Regulatory Charges	Regulatory charges are the costs of administering the wholesale electricity system and maintaining the reliability of the provincial grid.
Debt Retirement Charge	The debt retirement charge pays down the debt of the former Ontario Hydro.

(2) The invoice shall include the website of the distributor, where available, and the distributor's telephone number in a note following the glossary of terms that shall read as follows:

NOTE: For a detailed explanation of electricity terms, please visit (*website of distributor, where available*) or www.oeb.gov.on.ca.

Application, transition

11. (1) This Regulation applies to invoices issued after September 1, 2004 to low-volume consumers of electricity.

(2) Despite subsection (1), if a distributor is, for technical or operational reasons, unable to adapt its invoices to conform to this Regulation by September 1, 2004, it shall do so as soon as possible after that date but, in any event, no later than October 31, 2004.

NOTICE OF PROPOSED REGULATION

Commitment to the Future of Medicare Act, 2004 Part I - Ontario Health Quality Council

The Minister of Health and Long-Term Care on behalf of the Government of Ontario invites public comments on a regulation proposed to be made under the Commitment to the Future of Medicare Act, 2004.

The Commitment to the Future of Medicare Act, 2004 was passed by the Legislature on June 7, 2004 and received Royal Assent on June 17, 2004. Section 7 of Part I (Public consultation before making regulations) came into force upon Royal Assent. The remaining sections of Part I (ss. 1-6) will come into force at a later date. Part I of the Act relates to the Ontario Health Quality Council. Before Part I of the Act comes into force in its entirety, the Government is considering the development of a regulation to establish and support the operationalization of the Council. Section 7 of the Act requires that the Minister publish a notice of the proposed regulation and allow 60 days for public comment, after which the Minister reports to the Lieutenant Governor in Council, who may then finalize the regulation with or without changes.

Proposed Regulation under the *Commitment to the Future of Medicare Act, 2004*

The regulation proposed to be made under the Commitment to the Future of Medicare Act, 2004 includes the following:

- Establishes the Ontario Health Quality Council as a corporation without share capital, with a board of directors consisting of the members of the Council appointed by the Lieutenant Governor in Council: subsections 1(1) and (2).
- A member's appointment is for three years, with the possibility of reappointment for one further term: subsection 1(3).
- The initial appointments of members will be for terms of two and three years, one-half being for two and one-half being for three years. This will result in rotating terms with half of the members being changed every three years. This ensures continuity in the renewal process: subsection 1(4).
- The person appointed to the Ontario Health Quality Council who is also appointed to the Health Council of Canada will hold office on the Ontario Council for the same term as on the national council: subsection 1(5).
- To ensure the rotating terms, where a person ceases to be a Council Member, the person appointed to succeed that person can only be appointed for the remainder of the first person's term: subsection 1(6).
- The Lieutenant Governor in Council shall choose the Chair and vice-Chair, and the role of the Chair is defined: subsections 1(7) and (8).
- Members of the Council are entitled to be paid remuneration as fixed by the Lieutenant Governor in Council, and are also entitled to be paid reasonable expenses: subsection 1(9).
- The Council must meet regularly, and a minimum of four times each year: subsection 1(10).
- Quorum is a majority of members of the Council: subsection 1(11).
- The Council is an agent of Her Majesty: section 2.
- The Corporations Act and the Corporations Information Act do not apply to the Council. The sections of the Business Corporations Act that deal with the standard of care of directors, the conflict of interest provisions and the ability of the corporation to indemnify the members apply to the Council: section 3.
- The Council has all the powers of a natural person in order to carry out its functions. There are also restrictions on these powers: the Council cannot acquire, hold or dispose of any interest in real property, borrow money or pledge its assets, or create a subsidiary without the approval of the Lieutenant Governor in Council: section 5.
- The members of the Council have the power, subject to the approval of the Minister, to pass by-laws and resolutions in order to conduct and manage its affairs and, in particular, the ability to appoint officers, make banking arrangements and establish committees: section 6.
- The Council has to hire a chief executive officer, who is responsible for the operation of the Council, subject to the supervision and direction of the Council. The CEO may hire employees as are necessary. The CEO and employees are not members of the Ontario Public Service: section 7.
- The Council may only collect de-identified personal health information. The definition of de-identified information is the same as in the Health Information Protection Act, 2004. The Council can only commission the creation of information from sources approved by the Minister of Health and Long-Term Care: section 8.
- The Council cannot sell any analysis of the information it has collected without the approval of the Lieutenant Governor in Council: section 9.
- The Council's fiscal year is the same as the Ontario government's April 1 to March 31: section 10.
- The Council has to appoint auditors, and give a copy of the auditors' report to the Minister of Health and Long-Term Care: section 11.
- The Council has to give an annual report on its affairs to the Minister of Health and Long-Term Care, which report is to be laid before the Legislative Assembly: section 12.
- The Council's yearly report on the health system may report respecting access to health care services, availability of health human resources, health and wellness of the population, and the quality, efficiency and effectiveness of health care services: section 13.
- The Minister may wind up the affairs of the Council, if it is in the public interest to do so, by liquidating or selling the assets of the Council and paying them into the Consolidated Revenue Fund or by transferring them to the Crown or an agency of the Crown: section 14.

Partie I – Conseil ontarien de la qualité des services de santé

Le ministre de la Santé et des Soins de longue durée invite, au nom du gouvernement de l'Ontario, le public à présenter des commentaires sur le projet de règlement pris en application de la Loi de 2004 sur l'engagement d'assurer l'avenir de l'assurance-santé.

La Loi de 2004 sur l'engagement d'assurer l'avenir de l'assurance-santé a été adoptée par l'Assemblée législative le 7 juin 2004 et a reçu la sanction royale le 17 juin 2004. L'article 7 de la Partie I (Consultation du public préalable à la prise de règlements) est entré en vigueur dès la sanction royale. Les autres articles de la Partie I (art. 1 à 6) entreront en vigueur à une date ultérieure. La Partie I de la Loi porte sur le Conseil ontarien de la qualité des services de santé. Avant que la Partie I de la Loi n'entre en vigueur dans son intégralité, le gouvernement étudie la possibilité d'élaborer un règlement qui permettra d'établir et d'assurer l'opérationnalisation du Conseil. L'article 7 de la Loi oblige le ministre à publier un avis du projet de règlement et à prévoir un délai de 60 jours pour les commentaires du public, après quoi le ministre donne rapport au lieutenant-gouverneur en conseil, qui peut alors sanctionner le règlement avec ou sans modifications.

Projet de règlement pris en application de la Loi de 2004 sur l'engagement d'assurer l'avenir de l'assurance-santé

Le projet de règlement d'application de la Loi de 2004 sur l'engagement d'assurer l'avenir de l'assurance-santé comprend les dispositions suivantes :

- Le Conseil ontarien de la qualité des services de santé sera établi à titre de personne morale sans capital-actions doté d'un conseil d'administration composé des membres du Conseil nommés par le lieutenant-gouverneur en conseil : paragraphes 1(1) et (2).

- Pour le mandat initial, les membres seront nommés pour une durée de deux ou trois ans, la moitié des membres étant nommés pour deux ans et l'autre moitié pour trois ans. Cette méthode permettra d'obtenir une rotation des mandats où la moitié des membres change tous les trois ans, ce qui assurera une continuité dans le processus de renouvellement : paragraphe 1(4).
- La personne nommée au Conseil ontarien de la qualité des services de santé qui est aussi nommée au Conseil de la santé du Canada sera nommée au Conseil ontarien pour un mandat correspondant à celui qu'elle exerce au Conseil national : paragraphe 1(5).
- Afin d'assurer la rotation des mandats, toute personne nommée pour succéder à une autre personne qui cesse d'être membre du Conseil ne sera nommée que pour le reste du mandat de son prédécesseur : paragraphe 1(6).
- Le lieutenant-gouverneur en conseil choisira le président et le vice-président du Conseil, et le rôle du président est défini : paragraphes 1(7) et (8).
- Les membres du Conseil recevront une rémunération que déterminera le lieutenant-gouverneur en conseil et seront

également admissibles à un remboursement des dépenses raisonnables : paragraphe 1(9).

- Le Conseil se réunira régulièrement, au moins quatre fois l'an : paragraphe 1(10).
- Le quorum sera constitué de la majorité des membres du Conseil : paragraphe 1(11).
- Le Conseil sera un agent de Sa Majesté : article 2.
- La Loi sur les personnes morales et la Loi sur les renseignements exigés des personnes morales ne s'appliqueront pas au Conseil. Les articles de la Loi sur les sociétés par actions qui concernent les devoirs des administrateurs, les dispositions relatives au conflit d'intérêt et la capacité de la société d'indemniser les membres s'appliqueront au Conseil : articles 3 et 4.
- Le Conseil sera investi des pouvoirs d'une personne physique dans l'exercice de ses fonctions. Toutefois, certaines restrictions s'appliqueront à ces pouvoirs : le Conseil ne pourra acquérir, détenir ou aliéner un intérêt quelconque dans des biens immobiliers, ni emprunter de l'argent, ni déposer ses biens en nantissement, ni créer une filiale sans l'approbation du lieutenant-gouverneur en conseil : article 5.
- Le Conseil sera habilité, sous réserve de l'approbation du ministre, à adopter des règlements administratifs et des résolutions qui lui permettront de gérer ses affaires et, en particulier, il sera habilité à nommer des agents, conclure des conventions bancaires et établir des comités : article 6.
- Le Conseil engagera un chef de direction, qui sera responsable des activités du Conseil, sous la supervision et la direction du Conseil. Le chef de direction pourra embaucher des employés au besoin. Le chef de direction et les employés ne sont pas des employés de la fonction publique de l'Ontario : article 7.
- Le Conseil ne pourra recueillir que des renseignements personnels anonymisés sur la santé. La définition des renseignements anonymisés sera la même que celle de la Loi de 2004 sur la protection des renseignements personnels sur la santé. Le Conseil ne pourra commander la compilation de renseignements qu'à des sources approuvées par le ministre de la Santé et des Soins de longue durée : article 8.
- Le Conseil ne pourra vendre aucune analyse des renseignements recueillis sans l'approbation du lieutenant-gouverneur en conseil : article 9.
- L'exercice financier du Conseil sera le même que celui du gouvernement de l'Ontario, il s'étendra du 1er avril au 31 mars : article 10.
- Le Conseil nommera des vérificateurs et soumettra une copie du rapport des vérificateurs au ministre de la Santé et des Soins de longue durée : article 11.
- Le Conseil soumettra un rapport annuel de ses activités au ministre de la Santé et des Soins de longue durée, lequel sera présenté à l'Assemblée législative : article 12.
- Le rapport annuel du Conseil sur le système de santé peut traiter de l'accès aux services de santé, de la disponibilité de ressources humaines dans le secteur de la santé, de la santé et du bien-être de la population, et de la qualité, de l'efficacité et de l'efficacité des services de santé : article 13.
- Le ministre pourra liquider les affaires du Conseil, si c'est dans l'intérêt public d'agir de la sorte, en liquidant ou en vendant les actifs du Conseil et en versant le produit dans le Trésor ou en les transférant à la Couronne ou à un organisme de la Couronne : article 14.

Public Notice of Application for Private Legislation

THE CORPORATION OF THE CITY OF BRAMPTON

NOTICE IS HEREBY GIVEN that on behalf of The Corporation of the City of Brampton an application will be made to the Legislative Assembly of the Province of Ontario for an Act to enable The Corporation of the City of Brampton to convey land at less than fair market value if the land had been conveyed or dedicated to the city for no or nominal monetary consideration as a condition of land development approval, is declared surplus by the city, is being conveyed back to the previous owner or to an owner of abutting property who is a successor in title to the previous owner of the land, and the city is of the opinion that charging the fair market value for the conveyance would be inequitable in the circumstances.

The application will be considered by the Standing Committee on Regulations and Private Bills. Any person who has an interest in the application and who wishes to make submissions, for or against the application, to the Standing Committee on Regulations and Private Bills should notify, in writing, the Clerk of the Legislative Assembly, Legislative Building, Queen's Park, Toronto, Ontario, M7A 1A2.
